## UMD Spring Career & Internship Fair - February, 18-20, 2020 Travel and Parking Logistics

### PREPAID PARKING AND DIRECTIONS

**\*NOTE:** Traffic on campus can be very busy given student pedestrian traffic and all of the construction on our main roads, please plan for extra time as you arrange your travel plans.

Parking for this year's fair will be located in the **Regents Drive Garage (RDG), on the roof level (Visitors Lot)**. Please note: **Parking is included in your registration fee for this specific location only**. We will not cover any parking expenses incurred in other lots on campus (Union Lane, Stadium Garage, etc.).

Given there will be about a 5-7 minute walk from the Regents Drive Garage to the Stamp Student, we are strongly encouraging employers to drop off materials at the Stamp, if necessary and then park in Regents Drive garage.

### BOOTH MATERIALS DROP-OFF

If you will have materials that you would like to **drop off prior to parking**, please use the following **Google Maps link** to pull up to the **Southwest entrance of the Stamp Student Union (off of Union Lane)** 3972 Campus Dr., College Park, MD 20742 to drop off materials. We will have staff on hand to help unload your materials and take them to your booth while you park.

Once materials have been dropped off, employers will proceed down Union Lane to the stop sign and **turn right onto Fieldhouse Drive (one-way street)** at the stop sign. The road will curve around, and just past the stop sign, **Regents Drive garage will be on your left**. You will turn left into the garage in front of the concrete barrier. (If you reach the intersection at Regents Drive, you've gone too far.)

An attendant will greet you at the entrance. Please share your organization name and you'll be directed to the pre-paid VISITORS PARKING on the ROOF LEVEL of the garage. Please be sure you are parked in a metered numbered space on the roof.

## **DIRECTIONS TO REGENTS DRIVE GARAGE** **(if you DO NOT need to drop off materials)**

If you only need to park and will not have materials to drop off, we encourage you to use this link to **Google Maps** to find the location of the **Regents Drive Garage (Lot B)**.

There will be an attendant at every entrance of the garage to greet you. Please share your organization name and make your way up to **VISITORS PARKING** on the **ROOF LEVEL** of the garage. Please be sure you are parked in a **NUMBERED SPACE** on the roof.

**Please Note: You DO NOT need a parking pass in advance.**

We cannot be responsible for any parking expenses incurred by parking anywhere other than what has been designated for the career fair.

## **DIRECTIONS FROM REGENTS GARAGE BACK TO THE CAREER FAIR IN THE STAMP STUDENT UNION**

Once parked in a numbered space on the Visitors (Roof) level of Regents Drive, take the **elevator or stairs down to the 3rd floor of the parking garage**. We highly recommend using the **Southwest elevator**, if possible. Once on the 3rd floor of the garage, **take the walkway/bridge** (nearest section 3-4) over the road and **towards Hornbake Plaza**.

Make the **first right off of the bridge and follow the sidewalk to the back entrance of Stamp Student Union**. (You will pass the Bio-Psychology building on your right and enter through doors right off a back-parking lot).

You will enter the Stamp Student Union on the **Sub-basement (SB) level**, use the elevators on the left or the stairs (straight ahead) to make your way up to the **First 1st floor**.

Once off the elevator follow the hallway and the doors for the **Grand Ballroom** will be on your left. There will be student volunteers on hand to escort you to your booth.

We will have designated signage and balloons along the route to help you navigate to the Stamp Student Union.
